A message from Teacher Julia

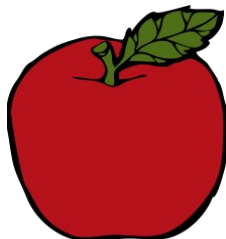

Dear families,

Happy New Year! January marks the second half of our school year and you are not going to believe how fast it will go by. When you come to the preschool, take a minute to stop and enjoy the children in their environment. Notice how much they care about each other and how much they take care of their friends. The children are also becoming very efficient in managing their time and the materials in the classroom. These observations will bring a smile to your face and warm feelings to your heart. Feel proud with me of all the learning and exploration that is taking place in our school.

As always, please remember to contact me if you have any questions or concerns. I enjoy sharing with you my experiences, books and information.

With lots of affection,

Teacher Julia

## A message from President Michaela

Dear parents,

Welcome back! I hope everyone enjoyed their time off and are getting back in the swing of things! We have some busy months ahead with school activities and field trips. This time of year always seems to go so quickly! The Annual Children's Concert is coming up on Sunday, February 12. This is a great family event and we hope to see everyone there. It's a great experience for the children and it's so fun to see them on stage.

Don't forget to save your garage sale items for our March 17th fundraiser! We will start collecting items the second week in March and will have our storage container available for donations. Anyone is welcome to donate, so check with friends and family members, too. It's the perfect time to get a head start on spring cleaning!

Michaela

### **Pirate Ship**

When I was one, I had some fun on the day I went to sea. I hopped aboard a pirate ship and the captain said to me. Oh we go this way, that way, forward and backward. Over the deep blue sea.

When I was two, I tied my shoe on the day I went to sea. I hopped aboard a pirate ship and the captain said to me. Oh we go this way, that way, forward and backward. Over the deep blue sea.

When I was three, I hurt my knee on the day I went to sea. I hopped aboard a pirate ship and the captain said to me. Oh we go this way, that way, forward and backward. Over the deep blue sea.

When I was four, I knocked on the door on the day I went to sea. I hopped aboard a pirate ship and the captain said to me. Oh we go this way, that way, forward and backward. Over the deep blue sea.

When I was five, I took a dive on the day I went to sea. I hopped aboard a pirate ship and the captain said to me. Oh we go this way, that way, forward and backward. Over the deep blue sea.
